Dear Family,

MRH Elementary will be offering the Banana Splits program for children who have had a “split” in their family due to separation, divorce, deployment, or incarceration. This program consists of six to eight lunch-time group meetings where children of the same grade level are able to receive peer and counselor support around the many issues of family change. The program is designed to give students an opportunity to talk about the emotions, challenges and struggles related to these changes in the hope of providing comfort and guidance.

If your son or daughter would like to participate in the Banana Splits program, please fill out the form below and return it to the counselors in Student Services.

If you have questions regarding this program, please call me at 314-256-7205.

Sincerely,

Mary Darst, Counselor
