June 2022 Newsletter

Dear PAT Families,
Happy Summer! This year has been a year of fantastic growth for our PAT program as well as our families and kids. We continue to thank you for welcoming us into your families and letting us have time with your little learners. Just as a reminder, our program is typically a school year program and visits, screenings, and group connections do reduce greatly in the summer. That said, we do have the ability to work some and plan for the new year and you may reach out with any immediate needs.

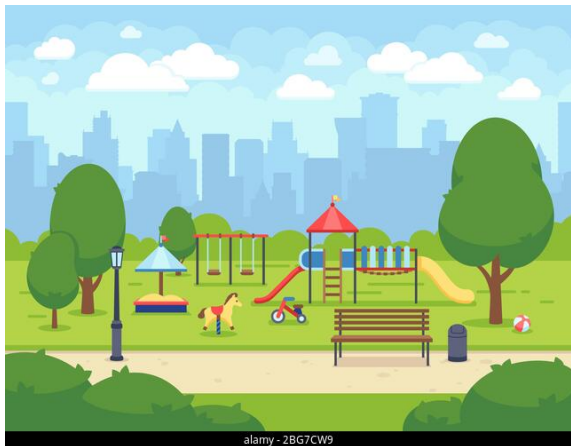

As we transition to the new school year it is important that we mention that after 4 years of fantastic service to the MRH PAT program, Colleen will be moving on to other adventures. She will be student teaching in the fall and shifting to sharing her immense knowledge and passion for children and education in a classroom setting. She has been an enormous asset to our program and will be incredibly missed. With that news, we would also like to welcome Kate Baker as our new MRH Parent Educator. She is a fantastic addition and is looking forward to working closely with families in the fall. Kate's background as a Montessori educator will lend itself very well to sharing her knowledge with our PAT families. She will be reaching out to all of Colleen's families in the Fall to introduce herself and resume visits!

Lastly, as mentioned above, this summer will be one of transition in Parent Educators for our program so your patience is greatly appreciated. You can always reach out via the parentsasteachers@mrhschools.net email with any questions and we will be happy to get back to you!

PAT Educators

Thank you to everyone who joined us for the Planting Party and Bike Race in May! It was great to see our littlest learners enjoying our outdoor spaces and getting to know each other!

COVID precautions: Masks are optional outdoors. If you or your children are not feeling well, experiencing COVID symptoms, are awaiting test results, or have been in contact with a confirmed case, you should not attend the in-person Group Connection.
