

February 8, 2023

Dear MRH Community,

While we celebrate our school counselors daily for their contributions to our students, families and staff, I want to take a moment to express my heartfelt gratitude for the hard work and dedication that they have shown to our school community during this National School Counselors Week. Their tireless efforts to support and guide students have not gone unnoticed, and I want to thank them for all that they do to make a positive impact on the lives of so many within our community.

Our MRH school counselors are vital to the overall wellbeing and success of our students. Their guidance and advice on academic, social and emotional issues have had a major impact on students and have helped them navigate the challenges of school and everyday life. This is critical in helping them to reach their full potential. Their empathy, understanding and professionalism have provided a safe and supportive environment for students to grow and thrive. I am deeply grateful for the time, energy, and care that our school counselors have invested in our schools, students and community. Their unwavering commitment to helping students overcome obstacles and achieve their goals has made a lasting impact on their lives and has inspired us all.

The efforts of our counselors are appreciated and valued by all in the Maplewood Richmond Heights School District community. This week and every day, thank a school counselor. Words of appreciation go a long way.

With grace and gratitude,

Bonita E. Jamison, Ed.D. | Superintendent

Maplewood Richmond Heights School District
