

# MRH Summer Enrichment

MRH is excited to offer many unique summer opportunities to challenge the imagination of your child.

Please read over the following descriptions of the programs being offered this summer for enrichment, fill out the registration form, and return to your school with payment.

Registration and payment will begin **Monday, March 29, 2021** and continue through **Monday, May 3, 2021 or until classes fill up**. Make checks payable to MRH School District. If you have any further questions about MRH Summer Enrichment contact:

Summer School Director Josh Flores  
 josh.flores@mrhschools.net or (314) 446-3931

As you read each summer program description and grade levels involved, be aware that grade levels will reflect *2020-2021* grade levels (this school year). Summer enrichment classes will require a minimum number of students in each class. **Classes will be subject to cancellation if not enough students sign up. You will be contacted by May 10th if a class will be cancelled.**

<b>Enrichment Programming</b>

<b>PM: 12:30-3:00 Cost: \$37.50 per week</b>	<ul style="list-style-type: none"> <li>• Snap Circuits (4-7)</li> <li>• Mind Over Matter 1 (4-7)</li> <li>• Poetry Camp (4-7)</li> </ul>	<ul style="list-style-type: none"> <li>• Mind Over Matter Studio 2 (4-7)</li> <li>• Creative Writing (4-7)</li> </ul>	<ul style="list-style-type: none"> <li>• Writing in Real Life (4-7)</li> </ul>

## Enrichment Program Descriptions

\*\*All Elementary and ECC Enrichment programs will be held at MRH ECC unless otherwise noted.\*\*

Program	Description	Details
<b>AM</b>	<b>WEEK 1</b>	<b>June 21 - June 25</b>
<b>Trebuchets &amp; Launchers</b>  <b>*Location: Middle School*</b>  (Mr. Busby)	Trebuchets & other launchers! Talking about the science behind many different launching projectile toys and building your own Trebuchet. Making a connection with the history of Trebuchets and their development over the history of machines.	Students 6-8  15 students  June 21 - 25 7:30am - 12:30pm
<b>Good People Everywhere 1</b>  (Mrs. Mathis)	Using Lynea Gillen's children's book along with yoga and mindfulness, students will practice skills for creating gratitude, compassion, and beauty in daily life. Students will recognize good people doing good things around the world, and discover that they too can make a difference.	Students K-3  15 Students  June 21 - 25 7:30am - 12:30pm
<b>Around the World in 5 Days!</b>  (Mr. Griffith)	Interested in traveling and learning about different people, countries, and cultures? Join us as we spend five days journeying through North America, South America, Africa, Asia, and Europe. Think <i>The Amazing Race</i> , but in a classroom! Students will build their geography and mapping skills, while also growing their understanding of traditions, holidays, and customs of different countries! We will explore language, food, music, art, and games -- all in the span of one week!	Students 4-7  20 Students  June 21 - 25 7:30am - 12:30pm
<b>STOP! Collaborate &amp; LEGO!</b>  (Mr. Bishop)	Love story telling? Love LEGO? Let's put both together and create an one of a kind awesome stop motion LEGO movie.	Students 1-4  15 Students  June 21 - 25 7:30am - 12:30pm
<b>PM</b>	<b>WEEK 1</b>	<b>June 21 - June 25</b>
<b>Snap Circuits</b>  <b>*Location: Middle</b>	Snap Circuits® teaches basic engineering, electronics and circuitry concepts by using building components with snaps to assemble	Students 4-7  15 Students

<b>School*</b> (Mr. Busby)	electronic circuits on a simple “rows-and-columns” base grid. The resulting projects function like the printed circuit board found in most electronic products. Students will build some independent projects that they can take home. Snap Circuits will stay with Mr. Busby and MRH.	June 21 - 25 12:30pm - 3:00pm
<b>Poetry Camp</b> (Ms. Howard)	In this week-long session, we will dive into the world of poetry! Campers will explore and create different types of poetry, get to know some famous poets (past and present), and learn about the historical and cultural significance and meaning of poetry. We will wrap up the week with a group poetry project to display next year!	Students 4-7 20 Students June 21 - 25 12:30pm - 3:00pm
<b>Mind Over Matter Studio (1)</b> (Ms. Schweich)	Students will explore and develop mindfulness skills through yoga and meditation, as well as by spending time outdoors. The regular practice of mindfulness will fuel creativity as students design, create, and present an art or writing project of their choosing.	Students 4-7 10 Max Students June 21 - 25 12:30pm - 3:00pm
<b>AM</b>	<b>WEEK 2</b>	<b>June 28 - July 2</b>
<b>Ozobots</b> (Mr. Busby)	Ozobots! Basic color coding with Ozobots. Using the bot to represent various topics in middle school and everyday life - energy forms & exchange, Street Art, or activities to celebrate cultural events.	Students 6-8 20 Students June 28 - July 2 7:30am - 12:30pm
<b>Good People Everywhere 2</b> (Mrs. Mathis)	Using Lynea Gillen’s children’s book along with yoga and mindfulness, students will practice skills for creating gratitude, compassion, and beauty in daily life. Students will recognize good people doing good things around the world, and discover that they too can make a difference.	Students K-3 15 Students June 28 - July 2 7:30am - 12:30pm
<b>Around the World in 5 Days 2</b> (Mr. Griffith)	Interested in traveling and learning about different people, countries, and cultures? Join us as we spend five days journeying through North America, South America, Africa, Asia, and Europe. Think <i>The Amazing Race</i> , but in a classroom! Students will build their geography and mapping skills, while also growing their understanding of traditions, holidays, and customs of different countries! We will explore language, food, music, art, and games -- all in	Students 4-7 20 Students June 28 - July 2 7:30am - 12:30pm

	the span of one week!	
<b>PM</b>	<b>WEEK 2</b>	<b>June 28 - July 2</b>
<b>Mind Over Matter Studio (2)</b> (Ms. Schweich)	Students will explore and develop mindfulness skills through yoga and meditation, as well as by spending time outdoors. The regular practice of mindfulness will fuel creativity as students design, create, and present an art or writing project of their choosing.	Students 4-7 10 Max Students June 28 - July 2 12:30pm - 3:00pm
<b>Creative Writing</b> (Ms. Howard)	In this week-long session, we will foster creativity, self-expression, and excitement about writing! Campers will get to know themselves as writers, explore writing techniques and strategies through mentor texts, and develop a writing piece within their genre of choice!	Students 4-7 20 Students June 28 - July 2 12:30pm - 3:00pm
<b>AM</b>	<b>WEEK 3</b>	<b>July 6 - July 9</b>
<b>LEGO Masters</b> (Mr. Bishop)	<b>LEGO Masters:</b> Each day LEGO Masters will be challenged to be as creative as they can be to construct a theme masterpiece. So, if you enjoy long barefoot walks on LEGOs this is for you!	Students 1-4 15 Students July 6 - July 9 7:30am - 12:30pm
<b>We Love Our MRH Towns</b> (Mrs. Marino)	Daily walks through our towns will reveal the people, history and special places in our neighborhoods. Because we love our cities we will look for ways to make our community a beautiful place to grow up in.	Students 3-7 15 Students July 6 - July 9 7:30am - 12:30pm
<b>PM</b>	<b>WEEK 3</b>	<b>July 6 - July 9</b>
<b>Writing in Real Life</b> (Mrs. Marino)	In school you write every day but the writing you need for every day life is different. In this workshop we will practice and polish the writing skills you will use for the rest of your life: make lists, send letters and invitations, create posters and flyers, keep a journal, write texts and emails, fill out forms and applications, take a written message, organize your thoughts and make a plan, write a recipe, record your observations, and take notes when you listen.	Students 4-7 20 Students July 6 - July 9 12:30pm - 3:00pm
