

Hey St. Louis!

Are you trying to get a COVID-19 vaccine?

Here's another chance!

COVID-19 vaccine supply has increased in Missouri. St. Louisans now have another way to get a COVID-19 vaccine with the opening of a Community Vaccination Center (CVC) in downtown.

To get an appointment, you need to register through the State of Missouri's vaccine website. **Pre-registration is highly encouraged**, but you can also register on site.

Here's how to sign up:

Online: Missouri's Vaccine Navigator website:

<https://covidvaccine.mo.gov/navigator/>

Or call: (877) 435-8411
