Overall run differential

Please have your coach text/call me at the conclusion of each game so I can keep the information up to date and hopefully have the trophy at the appropriate location on Saturday.

Please be sure to have two new baseballs on hand for each game played.

We will divide the costs (umpires and 1 team trophy) of the tournament 6 ways. I will send our tournament schedule to Bill Buchanan. Host sites are welcome to sell concession and keep their own earnings of course, but do not charge spectators a gate fee.

**In case of questionable weather, call or text Steve Kelly at (314) 565-0666. Please send me your head coach's cell number so I can simply send out a group text if needed.
