

Summer Programs

Summer Enrichment Programs

Art/Music/Writing Programs

Berklee College of Music

www.berklee.edu/summer/

Berklee offers five to twelve week programs that focus on performance, music theory, recording sessions, song writing, and specific instruments.

Boston University Visual Arts Summer Institute

www.bu.edu/cfa/visual/summerarts

BU offers an intensive four-week visual art program designed to help students build their art portfolios for the college process.

Bowdoin International Music Festival

www.bowdoinfestival.org

Bowdoin engages renowned artists from major conservatories, orchestras and performing groups worldwide to serve as instructors. For serious performers with advanced musical ability.

Creative Writing Program at St. Andrews University (Scotland)

www.st-andrews.ac.uk/admissions/ug/int/summerschools/creativewritingsummerprogramme/

A series of master classes and workshops with leading Scottish writers allows students to develop skills of authoring, oral presentation, editing and analysis. In addition to the stimulating environment of St Andrews there is a full programme of excursions, social and cultural activities to provide additional inspiration for students' poetry and prose.

Denison University: The Jonathan R. Reynolds Young Writers Workshop

reynolds.denison.edu

The Reynolds Young Writers Workshop at Denison University is an inspiring place for high school students who love to write.

Duke Domestic Field Studies

www.tip.duke.edu/

Creative Writing at Ghost Ranch in NM and Filmmaking in Orange, CA

Emerson College Summer Arts and Communication Academy

www.emerson.edu/academics/professional-studies/programs-high-school-students

Programs offered from Filmmaking to Studio Television to Theater to Stage Design to Writers.

Interlochen Center for the Arts

www.interlochen.org

Each summer, young artists from around the world gather to learn, create and perform alongside leading artists and instructors.

Interplay Jazz Camp

www.interplayjazz.com/

Offers a week-long holistic jazz workshop that integrates meditation, yoga and natural foods to enhance creativity and support a relaxed approach to practicing and performing.

Jazz in July: Summer Music Program at UMass

fac.umass.edu/Online/JIJ?menu_id=3FCB7876-5DF4-437D-B48F-CA85059AB265

Over thirty years of jazz instruction connecting innovation, education, and inspiration.

The Juilliard School Pre-College Summer Programs

www.juilliard.edu/youth-adult/summer/

Applications are reviewed beginning in mid-February and some programs require auditions. Juilliard offers a full range of opportunities in theatre, music, dance, and vocal studies.

Kenyon College Review Young Writers Summer Program

www.kenyonreview.org

Young Writers is an intensive two-week workshop for intellectually curious, motivated high-school students who value writing.

Kinhaven Music School Summer Programs

www.kinhaven.org/summer_programs/index.html

Kinhaven's Senior Session is comprised of 90 young musicians engaged in chamber music, orchestra, and spontaneous music-making.

School of the Museum of Fine Arts: Pre-College Summer Studio

www.smfa.edu/precollege

The five-week Pre-College Summer Studio is an unique and rigorous program focused on making art, sharing art, and living art.

NYU Tisch School of the Arts

specialprograms.tisch.nyu.edu/page/hsStudents.html

During the summer the Tisch School of the Arts offers high school students the chance to participate in intensive training in New York City

Northwestern University National High School Institute – Cherubs

<http://www.northwestern.edu/nhsi/>

Approximately 400 students will enroll in the Institute's 3 Divisions: Debate, Film & Video Production, and Theatre Arts. Students in the Institute are affectionately called Cherubs, a tradition that began in the 1930s with the founder of the Institute, Dean Ralph Dennis.

Rhode Island School of Design

www.risd.edu/summerstudies.cfm

The Summer Studies program in the visual and liberal arts encompasses a wide spectrum of interests designed to meet the needs of beginning, intermediate and advanced students.

Sewanee Young Writer's Conference

www.sewanee.edu/ywc/

Literary stars including Arthur Miller, Derek Walcott, Horton Foote, Mark Strand, and Ernest Gaines, join serious high school writers for two weeks of intensive literary discussion and creation.

Vassar College Powerhouse Summer

powerhouse.vassar.edu/

Powerhouse Theater Training Program apprentices are challenged to look at the world of theater in new and meaningful ways. They explore the boundaries of performance by living, breathing, and creating theater with peers and professionals alike - to come away with an experience that will inform the rest of their lives.

Dartmouth Debate Workshop and Institute

debate.dartmouth.edu/workshops.php

The Dartmouth Forensic Union offers two of the premier debate programs in the country, serving the needs of the young and advance debaters.

Harvard Debate Council Summer Workshops

www.hdcworkshop.org

The Harvard Debate Council offers instruction in tradition and contemporary debate styles, using cutting edge technology to expand research methodologies.

Michigan Debate Institute

www.michigandebate.com

Since 1985 Michigan Debate Institutes have offered a strong faculty, innovative curriculum design and the tremendous resources of the University of Michigan to thousands of students from all 50 states representing over one thousand high schools. Graduates have experienced great competitive success.

Secondary School/College/University Summer School Programs

American University – School of International Community of Scholars

www.american.edu/sis/communityofscholars

The program offers the opportunity to study international relations in Washington, DC with other students passionate about creating meaningful change in the world.

Babson Entrepreneurial Development Experience

www.babson.edu/undergraduate/summeratbabson/summer-study/entrepreneurial-development-experience/Pages/home.aspx

Develop your skills as a passionate, self-motivated entrepreneur within a close-knit driven community.

Barnard College Summer Program

www.barnard.edu/pcp

The program provides an opportunity for rising juniors and seniors to experience the challenges and rewards of college life against the exciting backdrop of New York City.

Boston University Summer School

www.bu.edu/summer/high-school-programs/

Rising seniors may apply and choose between the General Honors Program and the Research Internship Program in Science and Engineering.

Boston College Summer School

www.bc.edu/schools/summer

Deadline for registration is up to seven days before courses begin.

Brown University Summer School

www.brown.edu/summer

The program for rising seniors provides opportunities to participate actively in and out of class, grow as a learner and a person in an Ivy League environment, enjoy extracurricular activities and trips, and become an important member of a dynamic campus.

Carnegie-Mellon University

www.cmu.edu/enrollment/pre-college

CMU offers courses in AP classes, architecture, art, design, drama, and music, as well as the National Game Academy.

Choate Rosemary Hall Summer Programs

www.choate.edu/summerprograms

With a variety of programs (two, four and five weeks), Choate provides specialized learning opportunities, and students leave with better time-management and study skills.

University of Chicago – Graham School

www.grahamschool.uchicago.edu

www.summer.uchicago.edu

Whether you are intrigued by languages, law, or the latest laboratory techniques U Chicago offers an exciting array of one-of-a-kind learning experiences.

Columbia University High School Programs

www.ce.columbia.edu/hs/

Study with distinguished instructors, exchange ideas with intellectually curious peers, and be inspired. Noncredit courses in law, politics, college prep, arts and sciences.

Cornell University, Summer College

www.sce.cornell.edu/sc/

It is a comprehensive academic summer program for high school juniors and seniors. Cornell also offers a Summer Honors Program for high school sophomores.

Duke University

www.tip.duke.edu

A challenging experience for academically talented and motivated students, Duke offers a range of activities outside of class, including student government, drama, intramural sports, and community service.

Emory University Pre-College Program

www.precollege.emory.edu

Georgetown University Summer Program

www.georgetown.edu/ssce/sumspec.htm

George Washington University Summer Program

www.gwu.edu/summer/scholars

Harvard Summer School

www.ssp.harvard.edu

Harvard Summer School accepts high school juniors and seniors into its eight-week session. Secondary students take regular college-level courses along with undergraduates from Harvard and elsewhere.

Hobart & William Smith Colleges – Environmental Studies Summer Youth Institute (ESSYI)

academic.hws.edu/enviro

ESSYI is a two-week academic enrichment program that provides hands-on learning experiences exploring the many disciplines, tools, and approaches demanded by complex environmental problems.

Northwestern University College Prep Program

www.scs.northwestern.edu

Pennsylvania School for Global Entrepreneurship at Lehigh University

www.iacocca-lehigh.org

PSGE was developed to inspire the spirit of entrepreneurship, and expose students to the creative processes, cultural understanding, and effective business practices of tomorrow leaders.

University of Pennsylvania Pre-College Program

www.sas.upenn.edu/CGS/summer/index.php

Designed for academically-gifted high school juniors and seniors, the program offers a wide-range of courses including pre-business, pre-law and politics, pre-medicine, social sciences, mathematics, writing and the arts.

Phillips Academy – Andover

www.andover.edu/summersession

Fostering a passion for lifelong learning, the Summer Session combines a full boarding, pre-college experience with small classes in a multicultural community with innovative pedagogy complementing traditional areas over a five week period.

Phillips Exeter Academy

www.exeter.edu/summer

Residential/day program for motivated students who are entering grades 9-12 and PG. More than 90 courses offerings where the focus is on “learning for learning’s sake.”

Skidmore College Pre-College Program in the Liberal Arts:

www.skidmore.edu/summer

Stanford University Summer School

www.summersession.stanford.edu

Tufts University Summer Study

www.ase.tufts.edu/summer/hs

Vanderbilt Summer Academy for Talented Youth

<http://pty.peabody@vanderbilt.edu>

Washington and Lee University Summer Scholars Program

www.summerscholars.wlu.edu

This is a residential pre-college academic program which offers courses in politics, business, humanities, journalism, and pre-medical studies.

Wellesley College Summer School

www.wellesley.edu/SummerSchool

College of William & Mary

www.wm.edu/niahd

Summer program in Early American History

Yale University: Senior Explorations

www.yale.edu/summer/

Students explore the breadth of a liberal arts education and pre-professional curriculum.

International Programs**Academic Study Associates**

www.asaprograms.com

Offers academic programs in England, France, Spain, Italy and the United States

Adventure Ireland

www.adventure-ireland.com

Adventure Ireland offers an authentic cultural experience in Ireland for American students.

American University of Paris

www.aup.edu

Center for International Studies

www.cisabroad.com

Assists in finding educational opportunities in England, Ireland, Scotland, Italy, Spain, Australia, and New Zealand.

China Quest

www.chinaquest.org

China Quest combines study and travel to form a well-rounded summer immersion program in China.

Choate School Summer Study Abroad in China

www.choate.edu/summerprograms/intl_summerinchina.aspx

www.choate.edu/summerstudyabroad

Choate's Summer Abroad in China is a 5-week program consisting of a 4-week, intensive language and cultural experience with a week-long excursion.

Columbia University – Summer Programs in New York, Barcelona and the Middle East

ce.columbia.edu/hs

University of Dallas Summer Study in Europe

www.udallas.edu/travel/hs.cfm

You can study Latin in Rome, Shakespeare in Italy and King Arthur in London with professors from the University of Dallas.

Global Works – Travel With Purpose

www.globalworkstravel.com

Global Works provides community service, cultural exchange, adventure travel, and language immersion programs for teens.

Knowledge Exchange Institute (KEI)

www.knowledgeexchange.org

KEI offers international summer enrichment programs around the world through classes, internships, field trips, cultural activities, and research opportunities.

Leysin American School in Switzerland

www.las.ch/summer

Middlebury-Monterey Language Academy

mmla.middlebury.edu/

The Academy attracts students in grades 8-12 from all over the country and internationally – it's a place where students become "one" with culture and language using the incomparable Middlebury Immersion Learning Pedagogy.

National Geographic Student Expeditions

ngstudentexpeditions.com

NGSE offers immersion programs, expeditions, and community service opportunities all over the world with their team of experts.

Oxford Advanced Studies Program

www.oasp.ac.uk/

The Oxford Advanced Studies Program is an academic and cultural summer course for high school students, specifically designed to be intellectually stimulating and academically relevant.

The Oxbridge Academic Programs

www.oxbridgeprograms.com

Over 70 innovative, challenging courses for students in Oxford, Cambridge and Paris

Project Abroad

www.projects-abroad.org

Multiple opportunities for overseas volunteer projects and international internships.

Putney Student Travel

www.goputney.com

For 62 years, Putney students have traveled to hundreds of destinations, immersed themselves in cultures and communities across the globe, and found their lives changed by these experiences.

University of St. Andrews (Scotland):

Scottish Studies Summer Program:

www.st-andrews.ac.uk/admissions/ug/int/summerschools/scottishstudiessummerprogramme/

School for Field Studies

www.fieldstudies.org

SFS sends high school seniors to internationally-based field stations to take on a rigorous course of experimental, field based study.

School Year Abroad (SYA)

www.sya.org

It is an academic program for high school students who want to study overseas.

Service –Learning in Paris

www.study-serve.org

Offers culture immersion through community service and study in France.

The Sol Education Abroad Experience

www.soleducation.com

With Sol Education Abroad, you will achieve a genuine cultural immersion through housing with carefully selected local host families, first-rate Spanish language classes, stimulating excursions, and some of the most rewarding cultural activities possible.

Spoletto Study Abroad

www.spoletostudyabroad.com

The program is designed for high school students interested in the arts and humanities, located in the beautiful Spoleto Valley in Central Italy.

Study Programs International (SPI)

www.spiaboard.com

SPI combines serious academics with meaningful hands-on cultural experiences.

Visions Service Adventures

www.visionsserviceadventures.com

Visions offers summer programs focused on service work and cross-cultural exchange for high school students around the world.

Where There Be Dragons

www.wheretherebedragons.com

WTBD offers travel packages, trekking trips, service projects, language immersion, wilderness exploration, cultural studies, and home stays in countries around the world.

Leadership Programs and Internships

African Leadership Academy

www.alagapyear.org and *www.africanleadershipacademy.org*

Students live and learn on the beautiful African Leadership Academy campus in the outskirts of Johannesburg, South Africa for an intense, 10-month pre-university program building lasting friendships with Africa's future leaders, engage in deep study of the African continent, and design and implement a community service project.

The Bronfman Youth Fellowship in Israel (BYFI)

www.bronfman.org

This is a program for promising young people in the North American Jewish community to study Judaism and the Jewish world through the eyes of Israel.

Junior Statesman of America

www.summer.jsa.org

For students interested in politics, law, economics, and philosophy, JSA is a nationally recognized program located on the campuses of five, highly selective college campuses. Students are involved in classes and sessions designed to develop their knowledge of political systems, their ability to speak and write persuasively, and their appreciation for intellectual and ethical principles.

Leadership on the Lawn at University of Virginia

www.virginia.edu/vpsa/leadershiponthelawn/

University of Pennsylvania Leadership Program in the Business World

www.undergrad.wharton.upenn.edu/programs/lbw.cfm

Leadership in the Business World is a four-week program at the Wharton School of the University of Pennsylvania designed to introduce talent rising high school seniors to the fundamental skills and knowledge necessary to lead in the 21st century.

Summerbridge Cambridge

www.breakthroughcollaborative.org

www.summerbridgecambridge.org

This is a national education program seeking high school students as teachers and mentors.

Yale Daily News

yaledailynews.com/summer-journalism-project-2012

Yale's undergraduate newspaper offers a seven day summer internship program for aspiring journalists.

Military Academy Summer Programs

United States Military Academy (West Point)

www.usma.edu/admissions/more_summer.asp

The United States Military Academy conducts the Invitational Academic Workshop (IAW) for academically gifted high school juniors going into their senior year. The IAW is a weeklong program of academic workshops, military training, physical fitness training and intramural athletics.

United States Naval Academy Summer Session

www.nadn.navy.mil/Admissions/nass.htm

The United States Naval Academy Summer Seminar offers the opportunity for rising high school seniors to visit the Naval Academy for one week during the summer. Students will experience all aspects of the Naval Academy including the academic program and midshipman life.

Programs for Minority Students

LEAD

www.leadprogram.org

LEAD offers minority high school juniors (rising seniors) with strong academic credentials and demonstrated leadership skills an opportunity to explore challenging careers in business. LEAD's summer business institutes are held for three to four weeks at 10 leading graduate business schools such as UPenn, Duke, Northwestern, Virginia and Dartmouth.

W.E.B. DuBois Scholars Institute

www.webduboisscholars.org

The Institute provides leadership, scholarship, community service, and entrepreneur training along with exposure to science and technology for high-achieving youth attending secondary schools. It was founded with the goal of solving some of society's intractable social problems by training problem solvers.

Outdoor Programs

Adventures Cross-Country

www.adventurescorsscountr.com

Since 1983, ACC has been offering 90 day programs in Latin America, Africa, and Asia, allowing students to become part of the community they join.

Adventure Treks

www.adventuretreks.com

They offer carefully planned, action-packed Adventures are geared for young men and women between the ages of 13 and 18. Each 16–28 day Adventure includes a wide variety of exciting wilderness activities such as **rock climbing, whitewater rafting, sea kayaking, mountain biking, canoeing, mountaineering,** and **backpacking** in some of the most breathtaking scenery in western North America.

National Outdoor Leadership Schools

www.nols.edu

Blending the finest parts of a traditional school with the best wilderness education available, NOLS offers outdoor programs throughout the world from the United States and India to New Zealand and Patagonia.

Student Conservation Association

www.thesca.org

The Student Conservation Association (SCA) is America's conservation corps. Volunteers restore national parks, marine sanctuaries, cultural landmarks and community green spaces in all 50 states. There are opportunities to find free internships throughout the United States.

Wilderness Ventures

www.wildernessventures.com

Outdoor adventure program for young adults with expeditions through the United States, Europe, Central America and Australia.

Science/Mathematical Programs

The Jackson Laboratory (Bar Harbor, Maine)

education.jax.org/summerstudent/index.html

The Summer Student Program provides high school and college students with an opportunity to conduct independent research under the guidance of staff scientists

MIT Women's Technology Program

www.wtp.mit.edu

A 4-week residential summer school for high school girls to explore electrical engineering and computer science.

MIT's Research Science Institute (RSI)

www.cee.org/research-science-institute

RSI is the first cost-free to students, summer science & engineering program to combine on-campus course work in scientific theory with off-campus work in science and technology research.

Mount Desert Island High School

www.mdibl.org/high_school_students.php

Through the high school research program, the Mount Desert Island Biological Laboratory engages students early in their education, at a time when they are considering college education and future career paths. High school participants are offered opportunities to learn from scientists how they work, what inspires them, and how to continue in science in college and beyond..

Ross Mathematical Program at Ohio State University

www.math.osu.edu/ross/

The Ross Program is an intensive summer experience designed to encourage motivated pre-college students to explore mathematics. During those eight weeks, students are immersed in a world of mathematical discovery.

University of Pennsylvania Applied Science and Technology

www.seas.upenn.edu/saast

The School of Engineering at the University of Pennsylvania offers a unique opportunity for high school students to study computer graphics, nanotechnology, biotechnology, and robotics.

PROMYS at Boston University

www.promys.org

PROMYS offers an intensive experience in creative mathematical exploration, taught by Boston University faculty to approximately 65 high school students with an exceptionally strong interest in mathematics.

The Summer Science Program

www.ssp.org

The program is organized around a classic astronomical research curriculum.

Vanderbilt Summer Engineering, Science, and Technology

www.pave.vanderbilt.edu

Vanderbilt offers a unique program for high school students to explore a science, engineering, medical, or technology based career in a risk environment.

Worcester Polytechnic Institute

www.wpi.edu/Admin/Diversity

This is a hands-on program to introduce high school girls to engineering.

Worcester Polytechnic Institute Frontiers Program

www.wpi.edu/admissions/undergraduate/visit/about-programs.html

Frontiers is an on-campus, residential, research, and learning experience that challenges soon-to-be high school juniors and seniors to explore the outer limits of knowledge in science, mathematics, and engineering.

Resource Web Sites and Books

American Camp Association

www.acampsorg

Free online camp search service and planning tips for students and parents.

Science Training Programs Directory

www.sciserv.org

300 programs listed and is the only comprehensive catalog of science, mathematics and engineering enrichment programs for pre-college students.

National Camp Association

www.summercamp.org

Free online advisory service and tips for choosing a summer camp.

Taking Time Off

www.takingtimeoff.com

TeenLife

www.teenlife.com

TeenLife is the leading school-parent resource for information about experiential and educational opportunities, both locally and nationally, for middle and high school students.

Peterson's Summer Opportunities

www.petersons.com/summerop
