

Access to MRH Middle and High School During QuikTrip Demolition and Construction

To safely access the Middle/High School campus during the demolition and construction phases, we suggest students, parents, and campus visitors use these alternate routes (access to the campus from the north side of the neighborhood will remain unchanged):

Pedestrians on foot or bicycles

- To cross Big Bend Boulevard (north of Manchester Road), use the crosswalk just south of Lyndover Place near the Clayton Sleep Institute. Students may use the school District's parking lot between the former Healing Arts Center and Rudman & Smith Law offices to walk/ride across and access the campus.
- To cross Manchester Road (west of Big Bend Boulevard), use the crosswalk at Oakland Avenue near Maplewood City Hall and access the campus by using the entrance near the tennis courts.

Vehicles

- From north or southbound Big Bend Boulevard, turn west on Rannells Avenue and then turn south (left) onto Martini Drive.
- From east or westbound Manchester Road, turn north on Bredell Avenue and then turn east (right) onto Lohmeyer Avenue.
